

## Casella Waste Systems Announces Proposed Public Offering of Class A Common Stock

June 12, 2023

RUTLAND, Vt., June 12, 2023 (GLOBE NEWSWIRE) -- Casella Waste Systems, Inc. (NASDAQ: CWST), a regional solid waste, recycling and resource management services company, announced today that it has commenced a proposed underwritten public offering of \$400 million of its Class A common stock. Casella also intends to grant the underwriters an option for a period of 30 days to purchase up to an additional 15% of the shares of its Class A common stock sold in the public offering. All of the shares in the offering are to be sold by Casella.

Casella intends to use the net proceeds from the offering to finance a portion of its previously announced acquisition of operations from GFL Environmental Inc. and assets of Consolidated Waste Services, LLC and affiliates, repay borrowings from its revolving credit facility and general corporate purposes.

Raymond James and Stifel will act as joint book-running managers for the offering.

The shares are being offered by Casella pursuant to an automatically effective shelf registration statement (including a prospectus) that was previously filed with the U.S. Securities and Exchange Commission ("SEC"). The offering will be made only by means of the written prospectus and prospectus supplement that form a part of the registration statement. A preliminary prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and will be available on the SEC's website at [www.sec.gov](http://www.sec.gov).

Copies of the preliminary prospectus supplement and accompanying prospectus relating to the offering may also be obtained from Raymond James & Associates, Inc., Attention: Equity Syndicate, 880 Carillon Parkway, St. Petersburg, Florida 33716, or by telephone at (800) 248-8863, or by e-mail to [prospectus@raymondjames.com](mailto:prospectus@raymondjames.com); or Stifel, Nicolaus & Company, Incorporated, Attn: Syndicate Department, One South Street, 15th Floor, Baltimore, Maryland 21202, telephone: (855) 300-7136 or email: [Syndprospectus@stifel.com](mailto:Syndprospectus@stifel.com).

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification of these securities under the securities laws of any such state or jurisdiction.

### About Casella Waste Systems, Inc.

Casella Waste Systems, Inc., headquartered in Rutland, Vermont, provides resource management expertise and services to residential, commercial, municipal, institutional and industrial customers, primarily in the areas of solid waste collection and disposal, transfer, recycling and organics services in the northeastern United States.

### Safe Harbor Statement

Certain matters discussed in this press release, including, among others, our expectations regarding the completion of the proposed public offering and our intended use of proceeds from the offering, are "forward-looking statements" intended to qualify for the safe harbors from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements can generally be identified as such by the context of the statements, including words such as "believe," "expect," "anticipate," "plan," "may," "will," "would," "intend," "estimate," "guidance" and other similar expressions, whether in the negative or affirmative. These forward-looking statements are based on current expectations, estimates, forecasts and projections about the industry and markets in which Casella operates and management's beliefs and assumptions. There can be no assurance that Casella will be able to complete the proposed offering and Casella cannot guarantee that it actually will achieve the plans, intentions or expectations disclosed in the forward-looking statements made. Such forward-looking statements involve a number of risks and uncertainties, any one or more of which could cause actual results to differ materially from those described in Casella's forward-looking statements. Such risks and uncertainties include or relate to, among other things: risks and uncertainties relating to the satisfaction of customary closing conditions related to the proposed public offering and the impact of general economic, industry or political conditions in the United States or internationally. Additional risks and uncertainties relating to the proposed offering, Casella and its business are discussed in the prospectus supplement related to the proposed offering to be filed with the SEC on or about the date hereof and in other filings that Casella periodically makes with the SEC. In addition, the forward-looking statements included in this press release represent Casella's views as of the date of this press release. Casella undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. These forward-looking statements should not be relied upon as representing Casella's views as of any date subsequent to the date of this press release.
