The consummation of the previously announced offering of the Bonds was delayed from the originally anticipated issuance date of March 26, 2020 due to market conditions in the bond market related to the COVID-19 pandemic.

One or more additional tranches of New York State Environmental Facilities Corporation Solid Waste Disposal Revenue Bonds (Casella Waste Systems, Inc. Project) Series 2020, in the aggregate principal amount which, together with the Bonds, does not exceed \$75.0 million (the "Additional Bonds"), may be issued under the Indenture in the future, subject to the terms and conditions of the Indenture. The Bonds will be guaranteed under a Guaranty (the "Guaranty") by substantially all of the Company's subsidiaries (the "Guarantors"), as required by the terms of the Loan Agreement between the Issuer and the Company (the "Loan Agreement") pursuant to which the Issuer will loan the proceeds of the Bonds to the Company.

The Bonds will not be a general obligation of the Issuer and will not constitute indebtedness of or a charge against the general credit of the Issuer. The Bonds will not be a debt of the State of New York and will be payable solely from amounts received from the Company under the terms of the Loan Agreement and from the Guarantors under the Guaranty.

Pursuant to the announced offering, the Bonds will be offered only to qualified institutional buyers as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act").
