You are urged to specify your choices on the enclosed proxy card. If you sign and return your proxy without specifying choices, your shares will be voted in accordance with the recommendations of our Board set forth above with respect to Proposals 1- 3 and in the discretion of the persons named as proxies in the manner they believe to be in Casella Waste System, Inc.’s best interests as to other matters that may properly come before the Annual Meeting.

Voting Procedures

You may vote either in person at the Annual Meeting or by proxy. To vote by proxy, you must:

- Complete all of the required information on the proxy card.
- Date and sign the proxy card.
- Return the proxy card in the enclosed postage-paid envelope. We must receive the proxy card no later than October 8, 2012, the day before the Annual Meeting, for your proxy to be valid and for your vote to count.
- If you are not a stockholder of record and you hold shares through a custodian, broker or other agent, such agent may have special voting instructions that you must follow.

Whether or not you expect to be present in person at the Annual Meeting, you are requested to complete, sign, date and return the enclosed form of proxy. The shares represented by your proxy will be voted in accordance with your instructions. If you attend the meeting, you may vote by ballot. If you want to vote in person at the Annual Meeting and you own your shares through a custodian, broker or other agent, you must obtain a proxy from that party in its capacity as owner of record for your shares and bring the proxy to the Annual Meeting.

Shares represented by proxies on the enclosed proxy card will be counted in the vote at the Annual Meeting if we receive your proxy card by October 8, 2012.

[Table of Contents](#)

Your properly executed proxy card will appoint John W. Casella, our Chief Executive Officer, and David L. Schmitt, our Senior Vice President and General Counsel, as proxy holders, or your representatives, to vote your shares in the manner directed therein by you. Your proxy permits you to direct the proxy holders to:

- vote “FOR” or withhold your vote from all or any of the nominees for director;
- vote “FOR,” “AGAINST” or “ABSTAIN” from the non-binding resolution to approve the compensation of our named executive officers; and
- vote “FOR,” “AGAINST” or “ABSTAIN” from the proposal to ratify the appointment of McGladrey LLP as our independent registered public accounting firm for fiscal 2013.

All shares entitled to vote and represented by properly executed proxies received by us prior to the Annual Meeting and not revoked will be voted in accordance with the instructions indicated on the proxy card. If you do not indicate how your shares are to be voted on a matter, the shares represented by your properly executed proxy will be voted “FOR” the election of all of the nominees for director (Proposal 1), “FOR” approval of the compensation of our named executive officers (Proposal 2) and “FOR” the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for fiscal 2013 (Proposal 3). In addition, the shares represented by your properly executed proxy may be voted by the proxy holders on any other matters that are properly presented at the Annual Meeting for consideration, including a motion to adjourn the Annual Meeting to another time or place for the purpose of soliciting additional proxies, unless you withhold authorization therefor.

Revocation of Proxies

You may revoke your proxy at any time before it is used to cast a vote. To revoke a proxy, you must:

- file with our Corporate Secretary, at or before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the proxy;
- duly execute a later dated proxy relating to the same shares and deliver it to our Corporate Secretary before the taking of the vote; or
- attend the Annual Meeting, revoke your proxy and vote in person. Attendance at the Annual Meeting, if you do not vote, is not sufficient to revoke your proxy. Shares represented by valid proxies, timely received and not revoked at or prior to the Annual Meeting, will be voted at the Annual Meeting. If your shares are held through a custodian, broker or other agent, you will need to obtain a proxy card from the holder of record in order to vote your shares at the Annual Meeting.

Any written notice of revocation or subsequent proxy should be sent to the following address: Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701, Attention: Corporate Secretary.

Stockholders Entitled to Vote

Our Board has fixed August 20, 2012 as the record date for the Annual Meeting. You are entitled to vote (in person or by proxy) at the Annual Meeting if you were a stockholder of record at the close of business on the record date. On August 20, 2012, there were 26,367,454 shares of Class A common stock and 988,200 shares of Class B common stock outstanding. Each share of Class A common stock entitles the record holder to one vote on each matter properly submitted for consideration at the Annual Meeting. Each share of Class B common stock entitles the record holder to ten votes on each matter properly submitted for consideration at the Annual Meeting.

[Table of Contents](#)

Quorum

The presence, in person or by proxy, of shares representing a majority of the votes entitled to be cast at the Annual Meeting by the holders of Class A common stock and Class B common stock, voting together as a class, is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock present in person or represented by proxy, including shares which abstain or do not vote with respect to one or more of the proposals presented for stockholder approval and “broker non-votes” described below, will be counted for purposes of determining whether a quorum is present at the Annual Meeting. If a quorum is not present, we expect to adjourn the Annual Meeting until we obtain a quorum.

Votes Required

Election of Directors. Emily Nagle Green is the Class II director nominee and John W. Casella, John F. Chapple III and James P. McManus are the three Class III director nominees. Ms. Green was recently elected by our Board to fill a vacancy among the Class II directors, and pursuant to the bylaws of Casella Waste Systems, Inc., she is required to be nominated for reelection by the stockholders at the Annual Meeting. The affirmative vote of the holders of shares representing a plurality of the votes cast by the holders of shares of Class A common stock and Class B common stock, voting together as a class, in person or by proxy, at the Annual Meeting is required to elect Ms. Green and Messrs. Casella, Chapple and McManus. If elected, Ms. Green, the Class II director nominee, will serve for a two-year term (when the current term of the Class II directors will end) or until her successor has been duly elected and qualified, and each of Messrs. Casella, Chapple and McManus, the Class III director nominees, will serve for a three-year term or until his respective successor has been duly elected and qualified. Shares represented by proxies received by the Board and not marked to withhold authority to vote for a nominee will be voted “FOR” the election of the nominee. If a stockholder properly withholds authority to vote for the nominee or abstains from voting, such stockholder’s shares will not be counted toward the nominee’s achievement of a plurality. Broker non-votes, if any, will not be counted toward a nominee’s achievement of a plurality.

Other Matters. The affirmative vote of the holders of shares of Class A common stock and Class B common stock, voting together as a class, representing a majority of votes cast on a matter is required for approval of the advisory “say-on-pay” vote on executive compensation (Proposal 2) and approval of the ratification of the appointment of the independent registered public accounting firm for fiscal 2013 (Proposal 3). Abstentions and broker non-votes will not be counted as votes in favor of, or with respect to, these proposals and will also not be counted as votes cast. Accordingly, abstentions and broker non-votes will have no effect on the outcome of these proposals.

If you hold shares of Class A common Stock or Class B common stock through a broker, bank or other representative, your broker may under certain circumstances vote your shares if you do not return your proxy. Under applicable rules, brokers have discretion to vote their customers’ unvoted shares on discretionary matters but cannot vote such shares on non-discretionary matters. The ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for fiscal 2013 (Proposal 3) is considered a discretionary matter for this meeting and your broker will be able to vote on that matter even if it does not receive instructions from you, so long as it holds your shares in its name. **The election of directors (Proposal 1) and the “say-on-pay” advisory vote (Proposal 2) are “non-discretionary” matters. If you do not instruct your broker how to vote with respect to those proposals, your broker may not vote your shares on those matters and those votes will be treated as “broker non-votes.”**

BENEFICIAL OWNERSHIP OF VOTING STOCK

The following table sets forth information as of July 31, 2012 regarding the beneficial ownership of our voting stock by (a) each person or entity known by us to own beneficially more than 5% of the outstanding shares of any class of our voting stock, (b) all of our directors and director nominees, (c) our principal executive officer, our principal financial officer and our other executive officers who served during fiscal 2012, whom, collectively, we refer to as our named executive officers, and (d) our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. Shares of Class A common stock that an individual has a right to acquire within 60 days after July 31, 2012, including pursuant to options to purchase Class A common stock, Class B common stock convertible into Class A common stock and restricted stock awards subject to vesting, are deemed outstanding for purposes of computing the percentage of beneficial ownership owned by the person or entity holding such security, but are not deemed outstanding for purposes of computing the percentage beneficially owned by any other person or entity. Except as otherwise indicated by footnote, we believe that the persons named in this table, based on information provided by these persons, have sole voting and investment power with respect to the securities indicated. Unless otherwise indicated, the address of each beneficial owner listed in the table is care of Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701.

The “Total Ownership of Equity Securities” column reflects each listed individual’s or entity’s percent beneficial ownership with respect to all of our voting securities as of July 31, 2012. This column assumes the conversion of shares of Class B common stock into shares of Class A common stock. Holders of Class B common stock are entitled to ten votes for each share of Class B common stock that they beneficially own. Each share of Class B common stock is convertible at the discretion of the holder thereof into one share of Class A common stock. As of July 31, 2012, a total of 26,367,454 shares of Class A common stock were outstanding and a total of 988,200 shares of Class B common stock were outstanding.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Based solely on a review of copies of reports filed pursuant to Section 16(a) and representations made by persons required to file such reports, we believe that during fiscal 2012, our officers, directors and greater than 10% owners timely filed all reports they were required to file under Section 16(a), with the exception of late Forms 4 reporting the grant of restricted stock units filed with the SEC on June 28, 2011 on behalf of John Casella and on July 8, 2011 on behalf of Douglas Casella and Paul Larkin.

PROPOSAL 1—ELECTION OF DIRECTORS

We have three classes of directors, currently consisting of three Class I director seats, three Class II director seats and three Class III director seats. At each Annual Meeting, directors are elected for a full term of three years to succeed those whose terms are expiring. The terms of the three classes are staggered in a manner so that stockholders elect only one class annually. In addition, pursuant to our by-laws, the term of any director elected by our Board between annual meetings to fill a vacancy expires at the next annual meeting. In July 2012, our Board elected Emily Nagle Green to fill a vacancy among the Class II directors and, accordingly, her term will expire at the Annual Meeting. Upon the recommendation of the Nominations and Governance Committee, our Board has nominated Ms. Green for re-election as a Class II director and has nominated John W. Casella, John F. Chapple III and James P. McManus for re-election as Class III directors. Ms. Green is proposed for re-election at the Annual Meeting to serve as a member of the Board until the 2014 Annual Meeting of Stockholders (when the current term of the Class II directors will end) or until her successor is elected and qualified, and the three Class III director nominees are proposed for re-election at the Annual Meeting to serve as members of the Board until the 2015 Annual Meeting of Stockholders, or until their respective successor is elected and qualified.

The persons named in the enclosed proxy will vote at the Annual Meeting to elect Ms. Green as a Class II director and to elect Messrs. Casella, Chapple and McManus as Class III directors unless the proxy is marked otherwise. Each of the nominees has indicated her or his willingness to serve, if elected; however, if any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our Board. Our Board has no reason to believe that any of the nominees will be unable to serve if elected.

The Board believes that the election of Ms. Green as a Class II director and the election of Messrs. Casella, Chapple and McManus as Class III directors are in the best interests of our stockholders and therefore, recommends that our stockholders vote “FOR” the election of each of the nominees.

Set forth below for each director, including the director nominees, is information as of July 31, 2012 with respect to (a) her or his name and age, (b) her or his position and offices at Casella Waste Systems, Inc., if any, (c) her or his principal occupation and business experience during at least the past five years, (d) her or his directorships, if any, of other publicly-held companies, held currently or during the past five years, and (e) the year she or he became a member of our Board. We have also included information below regarding each director’s specific experience, qualifications, attributes and skills that led our Board to the conclusion that she or he should serve as a director of Casella Waste Systems, Inc.

CORPORATE GOVERNANCE AND BOARD MATTERS

General

We have long believed that good corporate governance is important to ensure that Casella Waste Systems, Inc. is managed for the long-term benefit of our stockholders. This section describes key corporate governance policies and practices that we have adopted. We have adopted a code of business conduct and ethics, which applies to all of our directors, officers and employees, as well as charters for the Audit Committee, Compensation Committee and Nominations and Governance Committee, and corporate governance guidelines. Complete copies of our corporate governance guidelines, committee charters and code of conduct described below are available on the Investor Relations section of our website, www.casella.com. Alternatively, you can request a copy of any of these documents by writing to Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701, Attn: Corporate Secretary.

Corporate Governance Guidelines

Our Board has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of Casella Waste Systems, Inc. and its stockholders. These guidelines, which provide a framework for the conduct of the Board's business, provide, among other matters, that:

- the Board's principal responsibility is to oversee the management of Casella Waste Systems, Inc.;
- a majority of the members of the Board shall be independent directors;
- the independent directors shall meet regularly in executive session;
- directors shall have full and free access to management and, as necessary and appropriate, independent advisors;
- new directors are expected to participate in an orientation program and all directors are expected to participate in continuing director education on an ongoing basis; and
- at least annually, our Board and its committees will conduct a self-evaluation to determine whether they are functioning effectively.

Stock Ownership Guidelines

Our Board believes that each non-employee director should acquire and hold shares of our stock in an amount that is meaningful and appropriate to such director. Accordingly, our Board has adopted stock ownership guidelines that require each non-employee director to attain a share ownership level of our Class A common stock equal to four times the annual cash retainer paid to non-employee directors for service on our Board, which does not include fees paid to non-employee directors based on meeting attendance or service as a committee chairman or Lead Director. Each non-employee director is required to attain such ownership levels by the third Annual Meeting following the first Annual Meeting at which such non-employee director is elected to the Board.

Board Determination of Independence

Under NASDAQ rules, a director will only qualify as an "independent director" if, in the opinion of our Board, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board has determined that none of Messrs. Burke, Callahan, Chapple, Doody, McManus and Peters and Ms. Green has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an "independent director" as defined under Rule 5605(a)(2) of the NASDAQ Stock Market, Inc. Marketplace Rules.

Board of Directors Meetings and Attendance

Our Board met six times during fiscal 2012, either in person or by teleconference. During fiscal 2012, each director attended at least 75% of the aggregate number of Board meetings and meetings of the committees on which he then served.

Director Attendance at Annual Meeting of Stockholders

Messrs. John Casella, Douglas Casella, Burke, Peters and Callahan attended the 2011 Annual Meeting of stockholders. We encourage, but have no policy with respect to, attendance of directors at the Annual Meeting.

Board Leadership Structure

We believe that Mr. John Casella, our Chief Executive Officer, is best situated to serve as Chairman of our Board because he is the director most familiar with our business and industry and is therefore best positioned, together with the Lead Director, to establish the Board's agenda and fulfill the other responsibilities of the Chairman of the Board. As our founder and our Chief Executive Officer since 1993, Mr. John Casella has been an integral part of the leadership of our Board, and his strategic vision has helped to guide our growth and performance.

In 2003, our Board established the position of Lead Director. Mr. Peters was elected Lead Director by the independent members of our Board in 2003 and he has served in that role ever since. The responsibilities of the Lead Director are included in our Corporate Governance Guidelines, which are posted on the Corporate Governance page of the Investor Relations section of our website, www.casella.com. The Lead Director chairs meetings of our independent directors, meets with any directors who are not adequately performing his or her duties as a member of our Board or any committee and facilitates communications between the Chairman of our Board and other directors. The Lead Director also works with the Chairman of our Board in preparing agendas for each meeting of our Board and consults with the Chairman of our Board on matters relating to corporate governance and board performance.

Our Board believes that its leadership structure is appropriate because it strikes an effective balance between strategy development and independent leadership and management oversight in the Board process.

Board Committees

Our Board has established three standing committees—Audit, Compensation and Nominations and Governance—each of which operates under a charter that has been approved by the Board. In addition, the Compensation Committee has designated two of its members to serve on the Stock Plan Subcommittee.

Our Board has determined that all of the members of each of the Board's three standing committees and its one subcommittee are independent as defined under the rules of the NASDAQ Stock Market, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act. In addition, all of the members of the Audit Committee otherwise satisfy NASDAQ's eligibility requirements for Audit Committee membership.

Audit Committee

The Audit Committee's responsibilities include:

- reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and related disclosures;

- preparing the Audit Committee report required by SEC rules, which is included on page 35 of this proxy statement.

The Audit Committee currently consists of Messrs. Callahan (Chair), Burke and Peters. Our Board has determined that Mr. Callahan is an “Audit Committee financial expert” as defined in Item 407(d)(5) of Regulation S-K. The Audit Committee met six times during fiscal 2012. See “Report of the Audit Committee of the Board of Directors.”

- recommending to our Board persons to be nominated for election as directors;

Risk Oversight

Our Board administers its risk oversight function directly and through its Audit Committee and enterprise risk management program, and receives regular reports from members of senior management on areas of material risk to Casella Waste Systems, Inc., including operational, financial, legal and regulatory, strategic and reputational risks. As part of its charter, the Audit Committee regularly discusses with management our major risk exposures, their potential financial impact on Casella Waste Systems, Inc. and the steps we take to manage them. In addition, the Compensation Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and succession planning. The Nominations and Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure and corporate governance.

Communicating with the Independent Directors

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Lead Director, with the assistance of our General Counsel, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Lead Director considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to: Board of Directors, c/o Corporate Secretary, Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve as members of our Board or Compensation Committee. None of the members of the Compensation Committee is a current or former officer or employee of Casella Waste Systems, Inc.

Director Nominations Process

The Nominations and Governance Committee acts under a written charter that we have posted on our website, www.casella.com. The process followed by the Nominations and Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Committee and the Board.

Criteria and Diversity

Although our Board does not have a formal diversity policy, in considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, the Nominations and Governance Committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. The Nominations and Governance Committee does not assign specific weights to particular criteria and no particular

[Table of Contents](#)

criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow our Board to fulfill its responsibilities to our stockholders.

The director biographies appearing above indicate each nominee's experience, qualifications, attributes and skills that led our Board to conclude that he or she should continue to serve as a member of our Board. Our Board believes that each of the nominees has substantial achievement in his or her professional pursuits, and possesses the background, talents and experience that our Board desires and that will contribute to the best interests of Casella Waste Systems, Inc. and to long-term stockholder value.

Stockholder Nominations

Stockholders may recommend individuals to the Nominations and Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to: Nominations and Governance Committee, c/o Corporate Secretary, Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701. The Nominations and Governance Committee has no obligation to consider individuals recommended by stockholders for nomination by the Committee as potential director candidates. However, assuming that appropriate biographical and background material has been provided on a timely basis, we expect that individuals recommended by stockholders would be so considered and evaluated by the Nominations and Governance Committee by following substantially the same process, and applying substantially the same criteria, as it follows for candidates identified by others.

Stockholders also have the right under our by-laws to directly nominate director candidates, without any action or recommendation on the part of the Nominations and Governance Committee or the Board, by following the procedures set forth under "Stockholder Proposals for the 2013 Annual Meeting."

At the Annual Meeting, stockholders will be asked to consider the re-election of Messrs. John Casella, Chapple and McManus and Ms. Green, each of whom were proposed to our Board by the Nominations and Governance Committee, and nominated for re-election by our Board.

Risk Considerations in Executive Compensation

Our Compensation Committee has discussed the concept of risk as it relates to our executive compensation program and our compensation committee does not believe our executive compensation program encourages excessive or inappropriate risk taking. As described more fully below in "Compensation Discussion and Analysis," we structure our pay to consist of both fixed and variable compensation to motivate our executives to produce superior short- and long-term results that are in the best interests of Casella Waste Systems, Inc. and its stockholders in order to attain our ultimate objective of increasing stockholder value. We believe that any risks that may arise from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on Casella Waste Systems, Inc.

Compensation of Directors

The form and amount of director compensation is determined by our Board in accordance with the policies and principles set forth below. The Compensation Committee conducts an annual review of the compensation of our directors. The Compensation Committee understands that questions as to directors' independence may be raised if director compensation and perquisites exceed customary levels, if we make substantial charitable contributions to organizations with which a director is affiliated or if we enter into consulting contracts or business arrangements with (or provide other indirect forms of compensation to) a director or an organization with which the director is affiliated.

Forms of Director Compensation

Our Board believes that directors should be incentivized to focus on long-term stockholder value. Including equity as part of director compensation helps align the interest of directors with those of our stockholders.

We seek to attract exceptional talent to our Board. Therefore, our policy is to compensate directors at least competitively relative to comparable companies. Our Board believes that it is appropriate for the chairmen and members of the committees to receive additional compensation for their services in those positions.

Cash Compensation—We reimburse non-employee directors for expenses incurred in attending Board and committee meetings. In addition, non-employee directors currently receive \$6,250 for each fiscal quarter that the non-employee director serves on the Board, an additional \$1,500 for each meeting of the Board that the non-employee director attends in person, an additional \$1,000 for each meeting of the Board that the non-employee director attends by telephone, an additional \$1,000 for each meeting of a committee or subcommittee of the Board that the non-employee director attends in person and an additional \$500 for each meeting of a committee or subcommittee of the Board that the non-employee director attends by telephone. The non-employee director serving as chairman of the Audit Committee received an additional \$15,000 for his service in fiscal 2012. Each non-employee director serving as a chairman of other committees of the Board receives an additional \$5,000 per fiscal year. In addition to the compensation described above, Mr. Peters receives an additional \$18,750 for each fiscal quarter that he serves as our Lead Director.

Equity Based Compensation—Each new non-employee director receives shares of restricted Class A common stock on the date of such director's initial election to our Board having a value on the date of grant of \$50,000, vesting in three equal annual installments over the three year period following the date of grant. Each incumbent non-employee director, other than non-employee directors who were initially elected to our Board at an Annual Meeting or at any time after the prior year's Annual Meeting, receives an additional grant of shares of restricted Class A common stock having a value on the date of grant of \$50,000, vesting in three equal annual installments over the three year period following the date of grant, at the time of each Annual Meeting of stockholders. Our Board has adopted certain stock ownership guidelines for its non-employee directors as described above.

We have also entered into or engaged in certain transactions with our directors or affiliates of our directors. See "Certain Relationships and Related Party Transactions."

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section discusses the principles underlying our executive compensation policies and decisions and the most important factors relevant to an analysis of these policies and decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executives and is intended to place in perspective the data presented in the tables and narrative that follow.

Role of Our Compensation Committee

The Compensation Committee, including its Stock Plan Subcommittee, is responsible for overseeing the compensation of our executive officers. In this capacity, the Compensation Committee administers our bonus, incentive compensation and stock incentive plans, and approves the salaries and other benefits of our executive officers. In addition, the Compensation Committee consults with management regarding our benefit plans and compensation policies and practices.

Compensation Committee Consultant

To assist the Compensation Committee in discharging its responsibilities, in fiscal 2012, the Committee engaged Towers Watson, an independent global consulting firm. Towers Watson provides the Compensation Committee with relevant market data and alternatives to consider when making executive compensation decisions. The Compensation Committee also considers compensation information from other sources, including publicly available industry compensation information and general economic trends in the areas in which our executive officers work and live. Towers Watson reports directly to the Compensation Committee and does not provide any other services to us. In fiscal 2012, Towers Watson did not attend any meetings of the Compensation Committee.

Objectives and Philosophy of Our Executive Compensation Program

The Compensation Committee, including its Stock Plan Subcommittee, seeks to achieve three broad objectives in connection with our executive compensation program. First, the Compensation Committee seeks to reward executives for the achievement of business objectives. Second, the executive compensation program is intended to provide executives with equity incentives so as to link a portion of the executive's compensation with the future performance of our Class A common stock, thereby aligning the interests of our executives with those of our stockholders. Finally, the Compensation Committee structures its executive compensation program so as to enable us to attract and retain qualified and talented executives.

We have entered into employment agreements with each of our executive officers. These employment agreements establish annual base salary and annual bonus amounts that the Compensation Committee may increase. In general, the Compensation Committee has tied potential bonus compensation to performance factors, including the executive officer's efforts and contributions towards obtaining corporate objectives and Casella Waste Systems Inc.'s performance.

In making compensation decisions, the Compensation Committee considers a number of factors, including the compensation packages paid by a peer group of publicly traded companies in the waste management industry selected by the Committee. This peer group, which is periodically reviewed and updated by the Compensation Committee after consultation with an independent compensation consultant (Towers Watson served in this capacity in fiscal 2012), consists of companies we believe are generally comparable to us. The companies included in our peer group for fiscal 2012 were Waste Services, Inc. and WCA Waste Corp. The Compensation Committee looks to this information in order to obtain a general understanding of current compensation practices in the industry but does not formally use that information to benchmark its executive

[Table of Contents](#)

compensation. The Compensation Committee also relies on various other factors, including existing compensation paid to executives, experience level of the individual, market factors, general economic conditions, corporate performance and cost of living in the areas where our executives live.

Say-on-Pay Feedback from Stockholders

At our 2011 Annual Meeting of Stockholders, we submitted our executive compensation program to an advisory vote of our stockholders and it received the support of over 95% of the total votes cast. In addition, at our 2011 Annual Meeting of Stockholders, a majority of our stockholders supported an annual vote on our executive compensation and, in response, our Board determined to hold an annual vote on the matter. Annually, the Compensation Committee intends to review the results of the advisory vote and will consider this feedback as it completes its annual review of each pay element and the total compensation packages for our named executive officers with respect to the next fiscal year.

Components of our Executive Compensation Program

The primary elements of our executive compensation program are:

- base salary;
- annual cash incentive bonuses;
- stock performance awards; and
- severance and change-of-control benefits.

We do not have any policy or target for allocating compensation between long-term and short-term compensation, between cash and non-cash compensation or among the different forms of non-cash compensation. Instead, the Compensation Committee determines what it believes to be the appropriate level and mix of the various compensation components based on its review of compensation of similarly situated executives in our peer group, the advice of its compensation consultant and our compensation philosophy described previously.

Base Salary

Base salary is used to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our executives. Base salaries are reviewed at least annually by the Compensation Committee. When establishing base salaries for fiscal 2012, the Compensation Committee began by reviewing the total base salary paid to each of our executives during the fiscal year ended April 30, 2011, which we refer to as fiscal 2011, and, for each executive officer, used that amount as a baseline for establishing fiscal 2012 base salary. The Compensation Committee then considered whether to make any increases or decreases to this baseline for fiscal 2012. Based primarily upon our operational and financial performance in fiscal 2011, the Compensation Committee decided not to increase the base salaries of our named executive officers in fiscal 2012. In fiscal 2012, our named executive officers' annual base salaries were as follows: Mr. Casella: \$361,333; Mr. Johnson: \$300,000; Mr. Larkin: \$280,000; and Mr. Schmitt: \$235,000.

Annual Cash Incentive Bonus

The employment agreement of each of our executive officers provides that such executive officer will be eligible to receive a bonus consisting of cash, a stock award or a combination thereof in an amount, if any, to be determined by the Compensation Committee after the conclusion of each fiscal year.

[Table of Contents](#)

The annual cash incentive bonuses for executive officers are intended to compensate for the achievement of company strategic, operational and financial goals. Amounts payable under the annual cash incentive bonus plan are calculated as a percentage, from zero to 150%, of a specified percentage of the applicable executive's base salary. For fiscal 2012, the specified percentage of fiscal 2012 annual base salary was 85% for each of Messrs. Douglas Casella, Johnson and Larkin, 100% for Mr. John Casella and 60% for Mr. Schmitt. The fiscal 2012 bonus plan provided for the payment of a cash bonus based on (i) our earnings before interest and tax, adjusted to exclude any accruals for incentive bonus and any one-time non-recurring gains or losses, or Pre-Bonus EBIT; and (ii) price growth from existing customers, or Price Growth. An aggregate of 85% of the bonus was to be paid upon the achievement of the Pre-Bonus EBIT target levels, and 15% was to be paid upon the achievement of Price Growth target levels. A greater or lesser amount was payable in the event the targets were exceeded or not met.

Fiscal 2012 Bonus Plan

For fiscal 2012, the target levels for each metric were as set forth below. The target levels were determined following a review of internal projections. The Compensation Committee worked with our Chief Executive Officer to develop corporate goals that they believed could be reasonably achieved with hard work during the fiscal year, based on economic conditions in effect at the time the targets were adopted.

<u>Target</u>	<u>Target Range</u>
Pre-Bonus EBIT	\$46.25 million to \$47.175 million
Price Growth	2.0% - 3.0%

In June 2012, the Compensation Committee determined that we had met certain Price Growth targets for fiscal 2012 but that we had not met the targets for Pre-Bonus EBIT, and our named executive officers were paid cash bonuses under the 2012 bonus plan as follows: Mr. Casella: \$25,293; Mr. Johnson: \$17,850; Mr. Larkin: 16,660; and Mr. Schmitt: \$10,198.

Fiscal 2013 Bonus Plan

In June 2012, the Compensation Committee approved a cash bonus plan for fiscal 2013, pursuant to which our executive officers are eligible to receive an annual cash bonus upon our achievement of specified targets with respect to the following corporate goals for fiscal 2013: Pre-Bonus EBIT and achievement of positive pre-tax income, adjusted for one-time finance charges and gains and losses on asset disposal, or Pre-Tax Income. Under the Bonus Plan, each of Messrs. Douglas Casella, Larkin and Johnson is eligible to receive an annual cash bonus of up to 85% of his annual base salary for fiscal 2013, Mr. Schmitt is eligible to receive an annual cash bonus of up to 60% of his annual base salary for fiscal 2013 and Mr. John Casella is eligible to receive an annual cash bonus of up to 100% of his annual base salary for fiscal 2013.

For fiscal 2013, the aggregate percentage of the bonus to be paid upon achievement of the specified targets are as follows:

<u>Target</u>	<u>Aggregate Percentage Payout Upon Achievement of Target</u>
Pre-Bonus EBIT	75%
Pre-Tax Income	25%

The Compensation Committee worked with our Chief Executive Officer to develop corporate goals for fiscal 2013 that they believe can be reasonably achieved with hard work over the next fiscal year, taking into account the current economic environment.

Stock Awards Granted in Fiscal 2012

Our executive officers are also eligible to receive stock awards under our stock incentive plans. Historically, the use of stock options had been a significant element of the compensation packages of our executive officers. The stock options we have granted to our executives vest in equal, annual installments over a three or four year period of the ten-year option term, beginning on the first anniversary of the date of grant. Exercise rights generally cease shortly after termination of employment except in the case of death or disability, although in certain circumstances the exercise period may be extended if the Compensation Committee believes the extension is in our best interests. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents. It has been the policy of the Stock Plan Subcommittee to set the exercise price of the stock options at a price that is at least equal to the fair market value of a share of our Class A common stock as of the date of grant.

Beginning in 2009, the Compensation Committee began to issue restricted stock units in the belief that they would generally serve as a more effective equity incentive program than stock options. These restricted stock units, each of which represents the right to receive a share of our Class A common stock, are subject to vesting. For fiscal 2012, restricted stock units were granted subject to vesting conditions based 50% on continued employment and 50% on achievement of target return on net assets. The 50% of restricted stock units, which vest based on continued employment, vest in three equal annual installments beginning on the first anniversary of the date of grant. The 50% of restricted stock units, which vest based on target return on net assets, will vest upon the achievement of a target return for the fiscal year ended April 30, 2014, which we refer to as fiscal 2014, and the executive may receive a lesser or greater amount, up to 150% of the original portion of the grant that is subject to vesting based on the target return, if such target is not met or is exceeded. The restricted stock units will vest in full upon a change of control of the company. The Compensation Committee worked with our Chief Executive Officer to develop the target return on net assets for fiscal 2014 and believes that it is attainable.

For fiscal 2013, the Compensation Committee granted restricted stock units with vesting conditions based 50% on continued employment and 50% based on achievement of a target return on net assets. The 50% of restricted stock units, which vest based on continued employment, vest in three equal annual installments beginning on the first anniversary of the date of grant. The 50% of restricted stock units, which vest based on target return on net assets, will vest upon the achievement of a target return for the fiscal year ended April 30, 2015, which we refer to as fiscal 2015, and the executive may receive a lesser or greater amount, up to 200% of the original portion of the grant that is subject to vesting based on the target return, if such target is not met or is exceeded. The restricted stock units will vest in full upon a change of control of the company. The Compensation Committee worked with our Chief Executive Officer to develop the target return on net assets and believes that the target return on net assets for fiscal 2015 is attainable.

We do not have a program, plan or practice of timing the grant of equity awards in coordination with the release of material non-public information. We typically make equity awards to our officers and employees when the person is first hired and thereafter once annually at a regularly scheduled Compensation Committee meeting at the commencement of the respective fiscal year.

Benefits and Other Compensation

We maintain broad based benefits that are provided to all employees, including health and dental insurance, life and disability insurance and a 401(k) plan. Our executive officers are eligible to participate in all of our employee benefit plans, in each case on the same basis as other employees.

Severance and Change-of-Control Benefits

Pursuant to employment agreements we have entered into with our executive officers, our executive officers are entitled to specified benefits in the event of the termination of their employment under specified

circumstances, including termination following a change of control of Casella Waste Systems, Inc. We have provided more detailed information about these benefits, along with estimates of their value under various circumstances, under the caption “—Potential Payments Upon Termination or Change of Control” below.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, generally disallows a tax deduction for compensation in excess of \$1.0 million paid to a company’s chief executive officer and its three other officers (other than the chief financial officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act by reason of being among our most highly paid executive officers. Certain compensation, including qualified performance based compensation, may be deducted if certain requirements are met. The Compensation Committee, including its Stock Plan Subcommittee, reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be in excess of the limit when it believes such payments are appropriate and in the best interests of our stockholders, after taking into consideration changing business conditions and the performance of our employees. The potential compensation arising from the grant of performance based restricted stock units to executive officers in fiscal 2013 is subject to the limitations effected by Section 162(m).

Report of the Compensation Committee

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion, the Compensation Committee recommended to our Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in our Annual Report on Form 10-K for the year ended April 30, 2012.

Employment Agreements

We have employment agreements with Messrs. John Casella, Larkin, Johnson and Schmitt, which we entered into as follows: Mr. Casella: December 8, 1999; Mr. Larkin: January 9, 2008; Mr. Johnson: July 6, 2010 and Mr. Schmitt: May 31, 2006. Each of Messrs. Casella's, Larkin's and Johnson's employment agreement had or has an initial term of three years and is automatically renewable for additional one-year terms thereafter unless terminated by either party pursuant to the terms of the agreement. Mr. Schmitt's employment agreement had an initial term of one year and is automatically renewable for additional one-year terms thereafter unless terminated by either party pursuant to the terms of the agreement. In December 2008, we amended our employment agreements with Messrs. Casella and Schmitt, and in December 2010, we amended our employment agreement with Mr. Larkin, to document compliance with, and, as applicable, exemption from, Section 409A of the Code.

Pursuant to the terms of their employment agreements, each of Messrs. Casella, Larkin, Johnson and Schmitt is entitled to a specified annual base salary, subject to adjustment as set forth in the agreement, an annual bonus consisting of cash, stock awards or a combination of cash and stock awards, in an amount determined by the Compensation Committee prior to the conclusion of each fiscal year, and a severance package upon the termination of employment. We have agreed to use our best efforts to assure that Mr. John Casella is elected to our Board for the duration of his term of employment. In addition, within 15 days of executing his employment agreement with us, Mr. Larkin received a stock option to purchase 50,000 shares of our Class A common stock and a one-time make whole benefit of \$200,000, one-half paid in cash and one-half paid in restricted stock units. Within 15 days of Mr. Johnson executing his employment agreement with us, he received a stock option to purchase 250,000 shares of our Class A common stock. Additionally, Mr. Johnson was reimbursed for \$105,000 in relocation expenses.

Pursuant to their employment agreements, in fiscal 2012, the annual base salary of Mr. Casella was \$361,333, the annual base salary of Mr. Larkin was \$280,000, the annual base salary of Mr. Johnson was \$300,000 and the annual base salary of Mr. Schmitt was \$235,000.

Mr. Casella also agreed not to compete with us for a period of two years after the termination of his employment within 300 miles of any facility operated by us during the term of his employment and not to solicit our customers, accounts or employees. Each of Messrs. Larkin, Johnson and Schmitt has agreed not to compete

with us for a period of one year after the termination of his employment within 100 miles of any facility operated by us during the term of his employment and not to solicit our customers, accounts or employees. In the event that Mr. Casella terminates his employment voluntarily and is not entitled to severance, the non-compete provisions of his agreement would not apply unless we continue to pay his base salary and any termination benefits or payments required under his agreement.

In the event Mr. Casella's employment is terminated by us other than for cause (as defined below), he will be entitled to payment of an amount equal to (a) three times the sum of (i) his highest base salary paid under the agreement and (ii) the higher of the most recent bonus paid to him under his agreement or 50% of his base salary immediately prior to such termination, plus (b) an amount in cash equal to the value of any accrued but unpaid base salary, bonus and vacation pay. In addition, Mr. Casella will continue to receive healthcare and other benefits for a period of three years from the date of termination, and any stock options or equity grants issued by us to him will become exercisable in full upon termination without cause. In the event that Mr. Casella terminates his employment with us for good reason or qualified good reason (as defined below), he will receive the maximum payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Larkin's employment is terminated by us without cause, he will be entitled to payment of an amount equal to (a) 12 months of the highest base salary paid to Mr. Larkin prior to his termination, (b) 70% of his base salary immediately prior to such termination and (c) an amount in cash equal to any accrued but unpaid base salary, bonus and vacation pay. Any stock options or equity grants issued by us to Mr. Larkin will become exercisable in full upon termination without cause. In the event that Mr. Larkin terminates his employment for good reason, he will be entitled to receive the severance payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Johnson's employment is terminated by us without cause, he will be entitled to payment of an amount equal to the sum of (a) two times his highest base salary at any time prior to such termination, (b) two times 85% of his highest base salary at any time prior to such termination, and (c) an amount in cash equal to the value of any accrued but unpaid base salary, bonus and vacation pay. In addition, Mr. Johnson will continue to receive healthcare and other benefits for a period of two years from the date of termination. Any stock options or equity grants issued by us to Mr. Johnson will become exercisable in full upon termination without cause. In the event that Mr. Johnson terminates his employment with us for good reason, defined as the assignment of any duties inconsistent with his status as Senior Vice President and Chief Financial Officer, a material adverse alteration in the nature or status of his responsibilities from those provided in the agreement or the transfer of a significant portion of such responsibilities to one or more other persons, or a material diminution in his compensation, Mr. Johnson will receive the maximum payments and benefits described in the preceding three sentences and an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Schmitt's employment is terminated by us without cause, he will be entitled to payment of an amount equal to (a) 12 months of the highest base salary paid to Mr. Schmitt prior to his termination, (b) 60% of his base salary immediately prior to such termination and (c) an amount in cash equal to any accrued but unpaid base salary, bonus and vacation pay. Any stock options or equity grants issued by us to Mr. Schmitt will become exercisable in full upon termination without cause. In the event that Mr. Schmitt terminates his employment for good reason, he will be entitled to receive the severance payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments

For purposes of each agreement discussed above, "cause" means the discharge of the employee resulting from (a) a conviction of a crime involving us; (b) an act or omission which has a material adverse effect on us; (c) fraud, misappropriation or embezzlement; or (d) the breach of confidentiality, non-competition or other

[Table of Contents](#)

material obligations by the employee. For the purposes of the employment agreements of Messrs. Casella and Larkin discussed above, “good reason” means the occurrence of (a) a change of control, accompanied by, or followed within the 12-month period after a change of control by (b) (i) the assignment to the employee of any duties inconsistent with his status prior to the change of control or which require travel significantly more time-consuming than that required at commencement of the agreement, or (ii) a material adverse alteration in the nature or status of the employee’s responsibilities from those provided in the agreement or the transfer of a significant portion of such responsibilities to one or more other persons, or (iii) a material diminution in the employee’s compensation. For the purposes of the employment agreements of Mr. Casella discussed above, “qualified good reason” means the occurrence of one of the events under clause (b)(i), (ii) or (iii) of the preceding definition of good reason.

The severance benefits described above were extended to Mr. Casella as an inducement to his decision to continue to remain employed by us and, in the case of Messrs. Larkin, Johnson and Schmitt, as an inducement to accept employment with us. At the time each of such agreements was entered into, the Board considered a number of factors, including severance arrangements offered by comparable companies, the importance of the respective employee to our ongoing success and the benefits of receiving a non-competition and non-solicitation covenant from the respective employee in exchange for the agreed severance. The Compensation Committee considers the severance benefits to be separate from the compensation payable to employees for their ongoing services and accordingly does not consider the value of the severance package when setting current compensation.

- (1) The amounts in this column reflect a lump sum payment, as described above, equal to a multiple of annual base salary in effect on April 30, 2012, and a bonus or other amount equal to a percentage of the base salary for each named executive officer in accordance with the terms of his respective employment agreement.
- (2) The amounts in this column reflect payments for monthly COBRA premiums for continued health and dental coverage as well as payments for life insurance and disability insurance premiums as of April 30, 2012. For Mr. Casella, payment of these benefits will continue for a period of three years, for each of Messrs. Larkin and Schmitt, a period of one year and for Mr. Johnson, a period of two years from the date of termination.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have adopted a written policy and have established procedures regarding approval of transactions between us and any employee, officer, director and other related persons, including those required to be reported under Item 404 of Regulation S-K. The policy requires that all related party transactions are reviewed by the Audit Committee and approved by our Board.

With respect to bidding projects in excess of \$500,000 in which a related party, including Casella Construction, Inc. is a bidder, the Audit Committee has established a specific procedure. This procedure requires us to solicit a minimum of three qualified bids. The bid package is required to be sufficiently detailed to allow for direct comparisons of costs between responsive bidders. Bids for work on which Casella Construction, Inc. or any other related party is bidding are required to be directed to a third party engineer for opening, compilation and tabulation. The bids are then evaluated by the project team based on price, performance references, qualifications, experience, alternate bid items, proposed schedule, subcontractors qualifications/references, technical compliance and other bid information that is in the best interest of the project. In the event that a construction contract is successfully bid by a related party, bids and recommendations are required to be submitted to our Chief Financial Officer and our President or Chief Executive Officer for submission to the Audit Committee for review and to our Board for approval. With respect to sole source bids (i.e. those less than \$500,000), the Audit Committee is required to be provided with documentation describing the reason for the work, a comparison of market or historical prices to the bid price, and senior management approval. Change orders relating to contracts with related parties are required to be forwarded to our Chief Financial Officer for submission to the Audit Committee for review and to our Board for approval before the change order is approved.

With respect to related party transactions involving aggregate consideration in excess of \$10.0 million or in excess of \$2.0 million if such transaction is not approved by a majority of disinterested directors, we are required by the terms of our debt instruments to obtain an opinion as to the fairness of such transactions from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

Our related party policy also provides that transactions involving compensation of executive officers shall be reviewed and approved by the Compensation Committee in the manner specified in its charter.

We engage Casella Construction, Inc., a company owned by John W. Casella, our Chief Executive Officer and the Chairman of our Board, and Douglas R. Casella, the Vice Chairman of our Board, to provide construction services for us, including construction, closure and capping activities at our landfills. Total purchased services from Casella Construction, Inc. charged to operations or capitalized to landfills for fiscal 2012, 2011 and 2010 were \$2,611,607, \$6,067,652 and \$9,303,008, respectively, of which \$44,506, \$209,245 and \$467,275 were outstanding and included in either accounts payable or other current liabilities at April 30, 2012, 2011 and 2010, respectively. In addition, we have approved ongoing contracts with Casella Construction, Inc., which we expect will result in payments by us to Casella Construction, Inc.

We are also party to two real estate leases with Casella Associates, LLP, a Vermont limited liability company owned by Messrs. John Casella and Douglas Casella, relating to facilities we occupy. The leases, relating to Casella Waste Systems, Inc.'s corporate headquarters in Rutland, Vermont and our Montpelier, Vermont facility, were renewed in March 2008 and provide for aggregate monthly payments of \$24,996 and expire in April 2013. These leases have been classified by us as capital leases for financial reporting purposes.

From 1977 to 1992, we operated an unlined landfill located in Whitehall, New York owned by Bola, Inc., a corporation owned by Messrs. John Casella and Douglas Casella, which operated as a single-purpose real estate holding company. We paid the cost of closing this landfill in 1992, and have agreed to

pay all post-closure obligations. In fiscal 2012, 2011 and 2010, we paid an aggregate of \$7,871, \$7,986 and \$9,040, respectively, pursuant to this arrangement. As of April 30, 2012 and 2011, we had accrued \$84,331 and 94,232, respectively, for costs related to those post-closure obligations.

We have entered into employment agreements with each of our executive officers. See “Employment Agreements.” For his service as President of Casella Waste Management, Inc., our wholly-owned subsidiary, Mr. Douglas Casella is paid an annual salary of \$206,000.

Report of the Audit Committee of the Board of Directors

The Audit Committee of our Board is composed of three members and acts under a written charter originally approved by our Board on September 24, 2003. All of the members of the Audit Committee are independent as defined by the rules of the NASDAQ Stock Market that apply to us and otherwise satisfy NASDAQ's eligibility requirements for Audit Committee membership.

The Audit Committee has reviewed our audited financial statements for fiscal 2012 and has discussed these financial statements with management and our independent auditors.

The Audit Committee has also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by the Public Company Accounting Oversight Board, or PCAOB, AU Section 380 (*Communication with Audit Committees*), as modified or supplemented.

PCAOB AU Section 380 requires our independent auditors to discuss with the Audit Committee, among other things, the following:

- methods to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

Our independent auditors also provided the Audit Committee with the written disclosures and the letter required by PCAOB Rule 3526 (*Communicating with Audit Committees Concerning Independence*), as modified or supplemented. The Audit Committee has discussed with the independent auditors their independence from us.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended April 30, 2012.

Audit Fees and Other Matters

Our Audit Committee appointed McGladrey LLP, an independent registered public accounting firm, to audit our books, records and accounts for fiscal 2013. This appointment is being presented to our stockholders for ratification at the Annual Meeting.

Representatives of McGladrey LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement on the firm's behalf if they so desire. The representatives also will be available to respond to appropriate questions.

McGladrey LLP was our independent registered public accounting firm for fiscal 2012 and fiscal 2011. In addition, during fiscal 2011, Caturano and Company, Inc., an independent registered public accounting firm that had served as our as our independent registered public accounting firm from May 1, 2009 until July 21, 2010, performed an audit of our 401(k) benefit plan. The fees we paid to McGladrey LLP in fiscal 2012 and fiscal 2011 and to Caturano and Company, Inc. in fiscal 2011 were as follows:

	<u>Fiscal Year</u>	<u>Audit Fees (1)</u>	<u>Audit Related Fees (2)</u>	<u>Tax Fees</u>	<u>Total Fees</u>

- (1) Audit fees consist of professional fees for the audit of our financial statements, the audit of our internal control over financial reporting, the review of the interim financial statements included in our quarterly reports on Form 10-Q, and other professional services provided in connection with statutory and regulatory filings or engagements. This amount includes reimbursement of out of pocket costs in fiscal 2012 and fiscal 2011 of \$81,786 and \$73,263, respectively.
- (2) Audit related fees consist of fees for the audit of our 401(k) benefit plan. This amount includes reimbursement of out of pocket costs in fiscal 2012 and 2011 of \$2,576 and \$2,128, respectively.

Pre-Approval Policies and Procedures

Our Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee.

The Audit Committee pre-approved 100% of the audit and non-audit services performed by our independent registered public accounting firm in fiscal 2013. No services were approved pursuant to the de minimis exception to the Audit Committee pre-approval requirements.

PROPOSAL 2 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act.

We encourage stockholders to read closely the "Executive Compensation" section of this proxy statement beginning with the "Compensation Discussion and Analysis" on page 20, which describes in detail our executive compensation programs and the decisions made by the Compensation Committee and our Board with respect to fiscal 2012. At our 2011 Annual Meeting of Stockholders, a majority of our stockholders supported an annual vote on our executive compensation and, in response, our Board determined to hold an annual vote on the matter.

As we describe in the "Compensation Discussion and Analysis," we maintain an executive compensation program that consists almost entirely of base salary, an annual cash incentive bonus and annual equity awards. These elements of compensation have been selected by the Compensation Committee because the committee believes that they effectively achieve the fundamental goals of our compensation program, which are to attract, motivate and retain qualified and talented executives, who are critical to our success, motivating them to achieve our business goals and rewarding them for superior short- and long-term performance. The goal of the Compensation Committee is to ensure that our compensation programs are aligned with the interests of our stockholders and our business goals in order to attain our ultimate objective of increasing stockholder value. We believe that, consistent with these goals, the total compensation paid to each of our named executive officers is fair, reasonable and competitive. Further, we believe our programs do not encourage excessive risk-taking by management. Annual compensation decisions for executive officers are made by our compensation committee based on the achievement of specified performance goals as described under "Compensation Discussion and Analysis."

Our Board is asking stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the named executive officers of Casella Waste Systems, Inc., as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, the compensation tables and any related material disclosed in the proxy statement of Casella Waste Systems, Inc., is hereby approved.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote does not overrule any decision by us or our Board (or any committee thereof), create or imply any change to our fiduciary duties or those of our Board (or any committee thereof), or create or imply any additional fiduciary duties for us or our Board (or any committee thereof). However, the Compensation Committee and our Board value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Unless otherwise indicated on your proxy, your shares will be voted "FOR" the approval of the compensation of our named executive officers. If your shares are held by your broker in "street name" and you do not vote your shares, your broker cannot vote your shares on Proposal 2.

Board Recommendation:

Our Board recommends that you vote to approve the compensation of our named executive officers by voting "FOR" Proposal 2.

**PROPOSAL 3—RATIFICATION OF THE
SELECTION OF REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee appointed McGladrey LLP, an independent registered public accounting firm, to audit our books, records and accounts for fiscal 2013. This appointment is being presented to the stockholders for ratification at the Annual Meeting.

Proxies solicited by management will be voted for the ratification unless stockholders specify otherwise. Although we are not required to submit the appointment to a vote of the stockholders, our Board believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment of McGladrey LLP as our independent registered public accounting firm. If the stockholders do not ratify the appointment, the Audit Committee will investigate the reasons for stockholder rejection and consider whether to retain McGladrey LLP or appoint another independent registered public accounting firm. Even if the appointment is ratified, our Board and the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Casella Waste Systems, Inc. and its stockholders.

A representative of McGladrey LLP is expected to be present at the Annual Meeting to respond to appropriate questions and to make a statement if he or she so desires.

Board Recommendation:

Our Board believes that the selection of McGladrey LLP as our independent registered public accounting firm is in the best interests of Casella Waste Systems, Inc. and its stockholders and recommends a vote “FOR” this proposal.
